House Bill 1361

RESOLUTION NO. 235

Fallowfield Township, Washington County

WHEREAS, New development has a substantial impact on municipal facilities, such as transportation, sewer and water systems;

WHEREAS, It is unfair to place the entire burden of these costs, which are necessitated by new development, on the township's residents through higher taxes; and

WHEREAS, Impact fees represent an equitable way of sharing these costs between new development and the township's residents;

NOW THEREFORE BE IT RESOLVED, That Fallowfield Township, Washington County supports the passage of legislation to authorize municipalities to impose fair and equitable impact fees on new development to pay for the costs of the infrastructure improvements needed to serve that development;

AND FURTHER, That such legislation include the following provisions:

- 1) The ability for municipalities and developers to continue to negotiate in good faith for offsite improvements;
- 2) Protection for those municipalities that have existing impact fee ordinances by granting them one year in which to bring their ordinance into conformance with the new law;
- 3) The authority to use impact fees to pay for the extensive administrative costs a township must incur in order to charge impact fees;
- 4) The flexibility for a municipality to establish the boundaries of each transportation service area in which impact fees will be levied;
- 5) The ability to collect impact fees for up to one year from developers who apply for subdivision approval while the impact fee ordinance is in the development stages; and
- 6) The discretion to appoint members to the impact fee advisory committee who represent a variety of factions within the municipality, instead of loading the membership up with individuals who represent the special interests of the building and real estate industries.

Resolved at a regularly scheduled meeting of the Board of Supervisors of the Township of Fallowfield, the 28th day of August, 1990.

## CAPITAL EXPENDITURE PROJECT RESOLUTION

FALLOWFIELD TOWNSHIP, WASHINGTON County, PennsylvaniaResolution No. 294

A RESOLUTION AUTHORIZING THE INCURRING OF NONELECTORAL DEBT TO FINANCE THE COST OF A PROJECT; PROVIDING FOR THE ISSUANCE OF A GENERAL OBLIGATION TERM LOAN NOTE; ESTABLISHING THE FORM AND TERMS OF THE NOTE; COVENANTING TO PAY DEBT SERVICE ON THE NOTE AND PLEDGING THE FULL FAITH, CREDIT AND TAXING POWER FOR THE PAYMENT THEREOF; AUTHORIZING THE EXECUTION AND DELIVERY OF THE NOTE AND THE PREPARATION OF A DEBT STATEMENT AND BORROWING BASE CERTIFICATE; AWARDED THE NOTE TO THE PURCHASER THEREOF; PROVIDING FOR THE REGISTRATION AND TRANSFER OF THE NOTE; SETTING FORTH COVENANTS, REPRESENTATIONS AND WARRANTIES REGARDING FEDERAL TAX MATTERS; AND REPEALING CONFLICTING RESOLUTIONS.

WHEREAS, FALLOWFIELD TOWNSHIP, WASHINGTON County, Pennsylvania (the "Municipal Unit") proposes to incur nonelectoral debt by the issuance of its general obligation note to finance all or part of the cost of ROAD TRUCK, PLOW AND SPREADER (the "Project"); and

WHEREAS, in accordance with Section 106 of the Local Government Unit Debt Act, Act No. 52 of the 1978 General Assembly of the Commonwealth of Pennsylvania, as amended (the "Act"), the Municipal Unit has obtained realistic cost estimates for the Project through actual bids, or professional estimates from professional architects or engineers or others qualified by experience;

NOW, THEREFORE, BE IT RESOLVED by the Municipal Unit as follows:

SECTION 1. The Municipal Unit hereby determines to incur nonelectoral debt in accordance with the Act by the issuance of its General Obligation Term Loan Note (the "Note") in the aggregate principal amount of \$ 40,000.00. The proceeds of the Note will be used to pay "costs" of the Project (within the meaning of the Act) having an estimated cost of \$ 39,800.00 and hereby determined to have a realistic useful life in excess of - 5 - years.

SECTION 2. The Note shall be in registered form, dated the date of the execution and delivery thereof and shall bear interest from the date of the Note on the unpaid balance of principal, payable SEE ATTACHED SCHEDULE.

and at maturity or earlier payment at N/A

The principal of the Note shall be payable in accordance with Schedule I appended hereto.

After maturity, whether by declaration, acceleration or otherwise, each installment of principal of the Note shall bear interest until fully paid at a variable rate per annum equal to 2 % above the Prime Rate in effect from time to time, such interest rate to change automatically from time to time, effective as of the effective date of each change in the Prime Rate, payable on demand. The rates of interest referred to herein are hereinafter called the "Tax-Free Rates".

"Prime Rate" means the interest rate per annum announced from time to time by Mellon Bank, N.A. (the "Bank") as its Prime Rate. The Prime Rate may be greater or less than other interest rates charged by Bank to other borrowers and is not solely based or dependent upon the interest rate which Bank may charge any particular borrower or class of borrowers.

The principal of and interest on the Note shall be payable at the PITTSBURGH OFFICE of the Bank, MELLON, N.A. PITTSBURGH, Pennsylvania in any coin or currency of the United States of America which, at the respective times of payment, is legal tender for payment of public and private debts.

If at any time or from time to time after the date of the Note there should be a change in the maximum marginal rate of income tax imposed upon national banks and corporations under Section 11 of the Internal Revenue Code of 1986, as amended (the "Code"), then the applicable Tax-Free Rate shall be adjusted, effective as of the effective date of the change in the rate (taking into account the provisions of Section 15 of the Code) imposed by Section 11 of the Code (the "Bank Tax Rate"), by multiplying the Tax-Free Rate by a fraction, the denominator of which shall be 100% minus the Bank Tax Rate on the date of the Note and the numerator of which shall be 100% minus the Bank Tax Rate immediately after the change.

Any provision herein to the contrary notwithstanding, no rate of interest on the Note shall exceed 15 % per annum.

The Note may not be prepaid or redeemed in whole or in part prior to the maturity thereof.

The Note shall be in substantially the form of the General Obligation Term Loan Note annexed hereto.

SECTION 3. The Note is hereby declared to be a general obligation of the Municipal Unit. The Municipal Unit hereby covenants that the Municipal Unit shall include the amount of the debt service on the Note for each fiscal year in which such sums are payable in its budget for that year; shall appropriate such amounts to the payment of such debt service; and shall duly and punctually pay or cause to be paid the principal of the Note and the interest thereon at the dates and place and in the manner stated in the Note according to the true intent and meaning thereof; and for such proper budgeting, appropriation, and payment, the full faith, credit and taxing power of the Municipal Unit are hereby irrevocably pledged.

The amounts which the Municipal Unit hereby covenants to pay in each fiscal year on the basis of an interest rate of 6.0 % are set forth in Schedule I appended hereto.

SECTION 4. The Note shall be executed in the name and under the corporate seal of the Municipal Unit by the TREASURER and attested to by the Secretary of the Municipal Unit. The proper officers of the Municipal Unit are hereby authorized and directed to deliver the Note to the Bank and receive payment therefore on behalf of the Municipal Unit. The TREASURER and Secretary of the Municipal Unit are authorized and directed to prepare, verify and file, or cause to prepare the Debt Statement required by Section 410 of the Act and a Borrowing Base Certificate.

SECTION 5. The Municipal Unit hereby finds that a private sale of the Note by negotiation is in the best financial interest of the Municipal Unit. The Proposal To Purchase General Obligation Term Loan Note of the Bank submitted to the Municipal Unit is hereby approved and accepted. The Note is approved and shall be awarded, issued and sold upon a negotiated sale to the Bank at the principal amount thereof in accordance with said Proposal.

SECTION 6. The Municipal Unit shall cause books for the registration and transfer of the Note to be kept with the Bank and hereby appoints the Bank its registrar and transfer agent to keep such books and to make such registrations and transfers under such reasonable regulations as the Municipal Unit or the Bank may prescribe.

Upon surrender for transfer of the Note, the Municipal Unit shall execute and the Bank shall deliver in the name of the transferee or transferees a new Note. In lieu of the delivery of a new Note, the Bank may deliver to the transferee the Note surrendered for transfer. The Note shall not be subdivided and no transfer of the Note will be effective until entered on the Note registry books of the Municipal Unit. No service charge shall be made for any transfer or registration of the Note, but the Municipal Unit may require payment of a sum sufficient to pay any tax or other governmental charge that may be imposed in relation thereto.

SECTION 7.

(a) The Municipal Unit hereby covenants with the holder of the Note that it will make no use of the proceeds of the Note which will cause the Note to be an "arbitrage bond" within the meaning of Section 148 of the Code and the regulations thereunder and that it will comply with the requirements of said Section and regulations throughout the term of the Note. In addition, the Municipal Unit will comply with all requirements of the Code and the regulations promulgated or proposed thereunder applicable to the Note.

(b) None of the proceeds of the Note will be used to reimburse the Municipal Unit for an expenditure made prior to the date of the Note unless (i) such expenditure complies with the applicable provisions of Section 1.150-2 of the Treasury Regulations or (ii) the proceeds of the Note are exempt from the arbitrage rebate requirements of Section 148(f) of the Code.
